DIVING CENTER UNION LIDO

You can learn to dive and at the end of the course you will receive the international P.A.D.I. licence. There are deep-sea excursions as well as a range of diving equipment to suit all levels of experience.

The Adriatic Sea offers many interesting sites for diving, for both experienced and amateur divers.

The Union Lido Diving Center offers all types of excursions for different levels of experience, for example visiting shipwrecks or the Tegnue.

The Tegnue is a group of rocks, an oasis of biodiversity. Their name was given to them by fishermen who used to complain that the rocks caught and ruined their nets. It is a very rich ecosystem where thousands of tiny organisms can feed; it is also a natural site for the reproduction of numerous fish species. The experienced Federico Stella and his team are at your complete disposal to help you visit and discover this splendid underwater world.

We look forward to welcoming you to the Union Lido Diving Center near the Aqua Park Marino on the West side of the Amphitheatre, to give you all the information on our diving lessons and dives at sea.

BYCICLE, SKATEBOARD AND PUSH-BIKE SAFETY

The use of bikes or electric city rollers is only allowed to guests who are staying in remote parts of the campsite. In any case, it is only allowed for coming in and going out, using exclusively Via Bologna, Via Verona, Via Torino and Via Cavallino. We ask you to take great care using mono-skateboards for the safety of everybody.

MARINO WELLNESS&SPA

Sun, sea air, salt water; three elements that, in a natural way, keep stress away.

The beneficial qualities of algae and the professional treatments on offer relax the skin and prepare it for the warm embrace of the sun. An exclusive club inside the resort, 9 different baths where you can let the delicate bubbles and the water jets gently massage you, let yourselves be caressed by the salt and the marine algae and abandon yourselves to the warmth of the sunshine, with a view over the green pine tree tops and the blue of the sea.

We have paid great attention to detail, for the health and beauty of your body and your appearance, with personalized beauty programmes, convenient all-inclusive packages and interesting gift ideas.

There is also an exclusive Marino Card, allowing you to enjoy special benefits reserved for a selected few!

The entrance fee is not included in the campsite price of your stay.
